Pyramid Model: Building systems and access to free resources ... and much much more. Professional development certificates for the conference will be available for a small fee. Do you all know Dr. Barb O'Neill? Host to transform challenging behaviors Online conference? Well in this episode, you're told how the conference came to be, what Barb has learned over the years (aka her top tips for addressing behaviors that are challenging), and what to expect during the 3rd annual conference. We also talk a little about how she came to love puppets and how to use them with young children to promote their social-emotional health and well-being. Now listen to me! Click here to download the transcript for this episode. Sign up today! Guest Bio: Dr. Barb O'Neill is the creator of the Transform Challenging Behavior Online Conference, a free annual online event attended by thousands of early childhood professionals from around the world. She has been in the ECE area for over 25 years and has worked as a preschool teacher, special education teacher, center manager and preschool professor. Barb now devotes himself full-time to speaking, training and teaching online courses for preschool staff. Show Notes: Transforming challenging behavior: Dr. Barb O'Neill's main website describing her approach to exploiting children's propensity for play to deal with challenging behavior. We can motivate them to want to listen, cooperate and participate. Contains information about the services she offers and her blog. Transform Challenging Behavior Online Conference: Registration page for TCBOC running May 6-12, 2020. Includes the speaker lineup. Spanish subtitles and daily spanish workbooks are also available free of charge. Iijumaa Iijumaa's educational consulting website that includes information about the workshop series she offers (such as diversity and anti-bias curriculum, teaching and play; reflective practice; leadership; and visionary leadership) as well as her blog. Isela Garcia: Isela's company Alesi Group, LLC specializes in brain-based training, coaching and consulting. The site has a podcast, blog and information about events and services. Alyssa Blask-Campbell: Alyssa's company Seed & Sew serves parents, teachers and caregivers by providing tools to raise emotionally intelligent people. Podcast, blog, community, services and much more are available. Barb Avila: Barb is an autism specialist, counselor, trainer and consultant with over 30 years of experience in the autism field. She runs the Synergy Autism Center, which tailors support to each family's unique needs. The site contains information about services, podcast, resources, and more. STAR Institute: Provides premium treatment, education and research for children, adolescents and adults with sensory processing disorder (SPD). Maya Gonzalez: Maya is an artist, author, educator, activist and her website contains information about her books, educational tools, a blog, and access to the Sex Wheel, a curriculum that offers a holistic, nature-based approach to gender. Are you a preschool teacher struggling with behavior? A center director or Head Start manager wants to support teachers and get buy-in for new strategies? An early childhood coach, consultant, coach, ECE professional or leader concerned about the high incidence of challenging behavior and think about how we can best create positive change in our field? I created this ONLINE conference for you. In this online event we will get on the subject of challenging behavior from many angles. We will focus on prevention and look at how to support children using innovative strategies you probably haven't tried yet. We'll talk about what to do in those moments when a child is in a full-blown tantrum or aggressing against others. We will consider larger picture societal trends and what they have to do with instant-to-moment classroom struggle. Join us. The conference is now over, but it is not too late! If you sign up now, you will get instant FREE access to watch our most requested talk AND a free workbook to go with it. Curious to see who it is? Just enter your name & email address and you'll have instant access to start looking. By filling out the form above you acknowledge that you will be added to my newsletter which features updates and occasional invitations for online learning. Can't wait until next year!! If you sign up now, you will get instant FREE to watch our most requested talk AND a free workbook to go with it. Curious to see who it is? Just enter your name & email address and you'll get access to start looking. Professional development certificates for the conference will be available for a small fee. Get all the details by email after you sign up. I just wanted to say how much I enjoyed this conference. It was a great help to become more aware of how I go into situations and that I should always go from a place of compassion and support. Children should feel safe at all times and we must facilitate that. Just enter your name & email address and you'll have instant access to start looking. I thought the online conference was genius, and well done. Your generosity, and the presenters, are so amazing and inspiring. As you know, and pointed out in your presentations, teachers have such limited resources, and this was quite the gift. I just keep telling everyone about it because it was meaningful, inspiring and FREE! The conference is now over, but it is not too late!
